

KRISTIN NICKELLS, CEC

Certified Executive Coach, Entrepreneur, Instructor, Keynote Speaker, Author

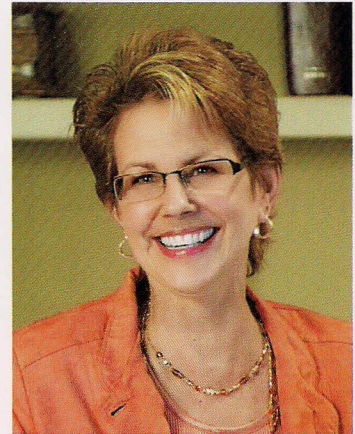

"I am passionate about educating professionals in basic, essential business skills..."

LET ME HELP YOU UNLOCK YOUR INNER ENTREPRENEUR!"

KEYNOTE SPEAKING

Kristin has presented to a wide variety of business and professional groups, both as a keynote speaker and as a workshop facilitator. She has over 25 years of experience coaching and working with dentists and their teams. The business side of a professional office, teamwork and leadership skills are her forte. Kristin has developed a highly successful business-skills training program for dentists called **Business Bootcamp for Dentists™**. This program is one of the sources of many of her speaking topics.

She has a lighthearted approach, making learning fun. She entertains as she teaches and imparts good solid business know-how. Her energy, humour and smile will ensure that your meeting is successful!

BIO

Kristin provides business services, coaching and training to professionals and entrepreneurs. Her educational background includes business administration and accounting and a Masters level Certification in Executive Coaching from Royal Roads University. She is an entrepreneur in her own right, running and managing her own company for nearly three decades. Her passion is teaching, coaching, keynote speaking & workshop facilitation. She is a writer and blogger on leadership issues and business skills. Kristin is an enthusiastic member of Toastmasters Intl, the International Coach Federation, and director on a variety of business group boards. An avid golfer and a competitive curler, she was born and raised in Victoria, BC and currently lives on Vancouver Island.

TOPIC SAMPLER

What Kind of Pack Leader Are You?

Understand the different business roles required by dentists & teams to successfully run a practice. Learn how to tap into your unique leadership qualities and fulfill expectations for those roles with confidence. Create a calm, harmonious atmosphere at work!

Financial Statements Are Not Greek!

How to read financial statements & understand how accounting works without your eyes glazing over! I assume NO knowledge of accounting and make it fun. Walk away knowing how to have meaningful conversations with your banker and accountant! You will learn the lingo & what your statements are telling you about your practice. This presentation is invaluable to dentists!

The Business of Dentistry

Dentistry balances on art, science & business. The whole team will benefit from understanding the nuts & bolts of how a professional practice fits into a traditional business model and how dentists, team and patients have different perceptions of how the business of dentistry really works.

Other Topics:

A "Coach Approach" for Dental Teams
Vision & Mission Statements for Dental Practices
How to Write a Business Plan on a Napkin!
Business Problem Solving Made Easy!

Half and full day workshops or shorter presentations on all topics as required
